

WORKSHOP SAMPLER FAQ

<p>WHAT'S IT LIKE?</p>	<p>Just a taste of what you'd get if you attended a full-day Workshop, OR a great follow up training after a full Workshop to go deeper with a specific area of need.</p>
<p>WHEN?</p>	<p>Typically on a weeknight, on a Saturday, or following Sunday morning services. It can be good to have your workshop sampler on the same evening that you have your regular band rehearsal.</p>
<p>WHO'S IT FOR?</p>	<p>For all your singers, instrumentalists & technicians & anyone else who's interested.</p>
<p>HOW LONG?</p>	<p>Usually about 2 hours, often following a provided "thank you" meal from the church for the team.</p>
<p>WHAT WOULD BE COVERED?</p>	<p>There's plenty of room to move here, but usually the Workshop Sampler is 1 of 3 types:</p> <ul style="list-style-type: none"> ● MUSICAL A fun, ice-breaking chat to get to know each other followed by the M³ instructor listening to one or more of your team's songs & then offering expert coaching & musical direction. ● PRACTICAL Have the M³ instructor teach on a topic that helps your team run better. Need to inspire better personal preparation? Want to know how to choose suitable song keys? Want a better sound check system? Select from a wide range of topics. Focus on your greatest areas of need. ● THEOLOGICAL Have M³ encourage & challenge your team on the deeper issues of faith & the role of worshipping musicians. What does the Bible say about music? What does it mean to worship God? Why do we sing? What are the dangers of the platform? Let's discuss your needs & target the right area.
<p>OK ... HOW MUCH?</p>	<p> US\$600 (USA only)</p>
<p>WILL THIS HELP THE TECHNICIANS TOO?</p>	<p>There certainly will be significant benefits for the technicians, but the principal M³ instructor will need to focus mainly on the singers & instrumentalists - especially in a MUSICAL workshop. To upgrade your Workshop Sampler, have M³ bring an Audio/Video tech pro who can jump into the trenches with your technicians and help them more specifically.</p>
<p>COST OF TECH UPGRADE?</p>	<p> US\$250 (USA only)</p>
<p>ANY OTHER COSTS?</p>	<p>Yes. Local travel costs plus meals & one nights' accommodation for the M³ instructor(s).</p>
<p>HOW MUCH IN MY COUNTRY?</p>	<p></p> <p>M³ recognizes that there is a great deal of variation in the financial capacity of the Christian Church from one congregation & one nation to another. Furthermore, M³ never wants money to be the only reason we did not serve. No matter where in the world you are and what your budget is, let's talk. Contact Grant now.</p> <p>Give M³ the opportunity to creatively customize a price package for you!</p>
<p>ANY BOOKING RESTRICTIONS?</p>	<p>Due to travel cost constraints, the Workshop Sampler is not available as a "stand alone" event. It can only be added to a schedule of other engagements in the same area.</p>
<p>ANYTHING ELSE I SHOULD KNOW?</p>	<p>Unless, for any reason, it's inappropriate to do so, M³ plans to make an invitation for people to sponsor a child through one of the outstanding, M³ approved partner organizations:</p> <div style="display: flex; justify-content: space-around; align-items: center;"> <div data-bbox="655 2507 1029 2665" style="text-align: center;">  </div> <div data-bbox="1159 2507 1530 2665" style="text-align: center;">  </div> <div data-bbox="1661 2507 2032 2665" style="text-align: center;">  </div> </div>
